LARGE ENOUGH TO SERVE YOU

## Sweep up Your Finances

It's springtime, and that means spring cleaning. As you clean out your closets, don't forget to organize your finances at the same time. Use your AFECU Visa/Mastercard debit or credit card to sign up for electronic bill pay and save paper and time by automatically paying your recurring bills.

### What are the benefits?

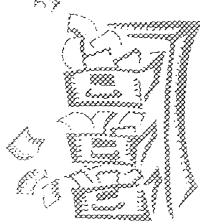

- It's free
- Saves money on stamps and checks
- Convenience of having all your payment history in one place
- You can pay as many bills as your credit line allows
- Less time paying bills means more time for yourself and your family

### Tips for Organizing your Finances

- Buy a locked file cabinet for extra security. Make sure it is fireproof and store it out of plain sight.
- Open a safe deposit box at AFECU.
- Keep tax information for at least seven years and other financial papers for at least three.
- Consider buying financial planning software. Some programs even help with online banking.
- Keep up with your filing system. Otherwise you'll be organizing everything again next year.
- Don't be afraid to consult an accountant when necessary.
