FUN HOLIDAY FACTS

BOO!

When trick -or-treating first became popular in the United States in the 1800's, more kids played pranks than asked for candy. By the 1950's, the focus had switched to good old family fun, with sugar-hyped children in costumes

Chocolate makes up about 3/4 of a trick-or-treater's loot, according to the National Confectioners Association

Candy corn has been made with the same recipe by the Jelly Belly Company since around 1900. Sugar, corn syrup and marshmallow.

In 1953, a Swanson employee accidentally ordered 260 tons of Thanksgiving turkeys. To get rid of them, another employee came up with the idea of filling 5000 aluminum trays with turkey, cornbread dressing, gravy, peas and sweet potatoes. The 98 cent meals were a hit with kids & busy households.

Only male turkeys - gobblers- actually make the gobble sound. Female turkeys cackle instead.

An estimated 50 million pies are eaten on Thanksgiving.

"The Nutcracker" is the most famous Christmas ballet. Oregon produces the most real Christmas trees in the United States.

If you received all the gifts in the song "The Twelve Days of Christmas, you would receive 364 gifts.

"It's a Wonderful Life" appears on TV more than any other holiday movie.

The poinsettia plant was brought into the United States from Mexico by Joel Poinsett in the early 1800's.
